### **GREAT FAIR IN** MERCER COUNTY

Lincoln County Exhibitors Fare Very Well And Big Crowds Are On Hand Each Day-Awards

The Country Fair Circuit up in this end of the state opened most auspiciously at Harrodsburg Tuesday. Robert Horn 2. Although the weather was very warm it was what everybody called "ideal fair weather," and the people didn't seem to mind that, for they were on hand by the thousands "from the lead mines." A splendid program was offered each day, the show of horse and other live stock being very good as were also the exhibits in the floral hall department. Secretary Clel Coleman was on the job all of the time, with a splendid and most accomodating bunch of young fellows as assistants and they made the visitors from far and near feel that it was good to have been there.

Quite a number from Lincoln were on hand each day but the third day, Thursday, was the big day for Lincoln county people, and fully 50 or more went over primarily to boost for Stanford's big fair, Aug. 23, 24 and 25.

Stanford and Lincoln county exhibitors fared well in show rings. The great Harris & Woods string of show mules had things almost their own way in the hybrid classes. C. S. Lyons, of this city, took a big bunch of blues on his poultry. The complete rewards on the live stock poultry and horse rings up to 3 o'clock Thursday afternoon were as
